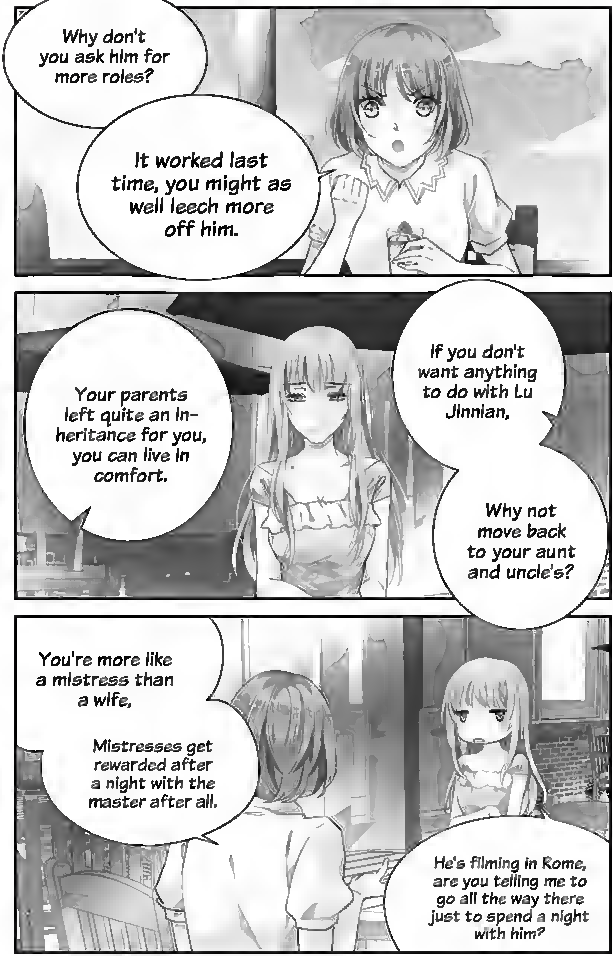
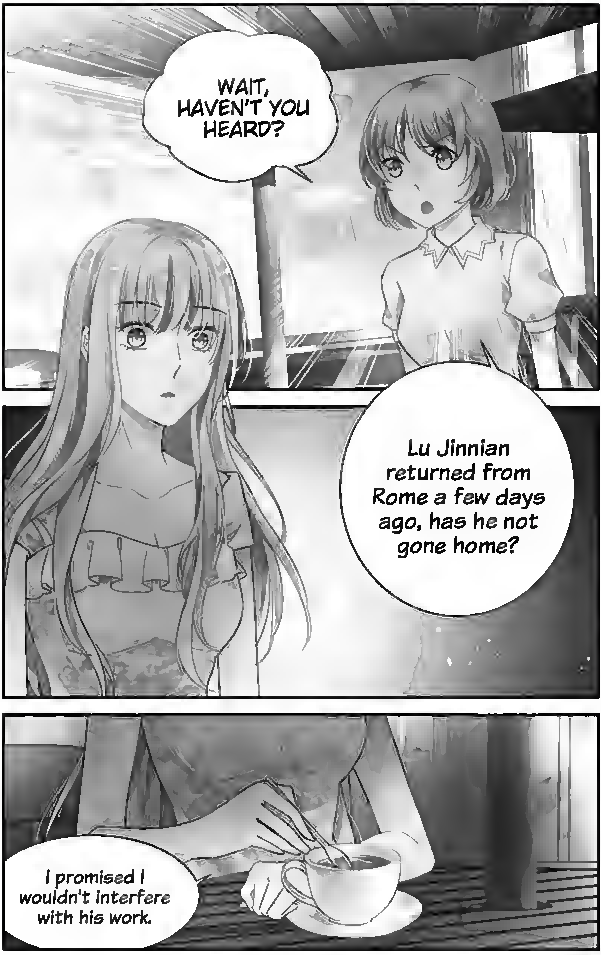
Chapter 16
Agent of Change Translations!

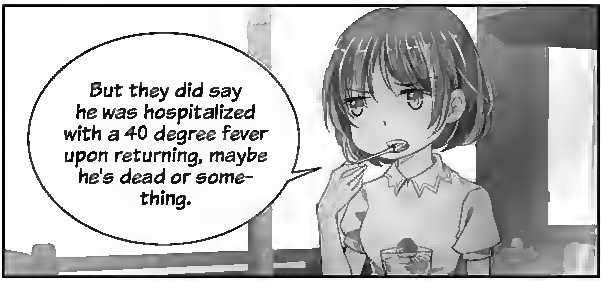
Say Qiaoqiao, I always thought you and Lu Jinnian were only acting as a couple,
But that doesn't seem to be the case lately.
How are you two really like in your private life?
We don't really talk. In the five months we've been married, we've only had about three conversations.



Why don't you ask him for more roles?
It worked last time, you might as well leech more off him.
Your parents left quite an inheritance for you, you can live in comfort.
If you don't want anything to do with Lu Jinnian,
Why not move back to your aunt and uncle's?
You're more like a mistress than a wife,
Mistresses get rewarded after a night with the master after all.
He's filming in Rome, are you telling me to go all the way there just to spend a night with him?

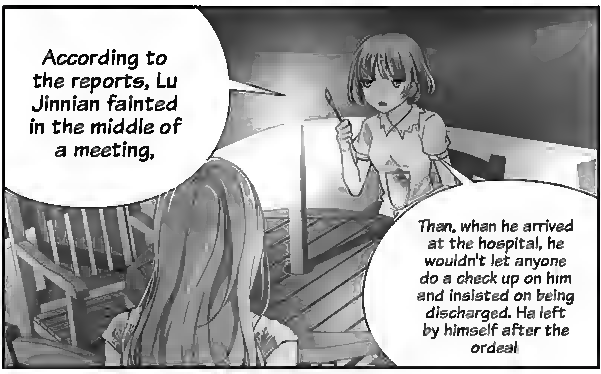


WAIT, HAVEN'T YOU HEARD?
Lu Jinnian returned from Rome a few days ago, has he not gone home?
I promised I wouldn't interfere with his work.

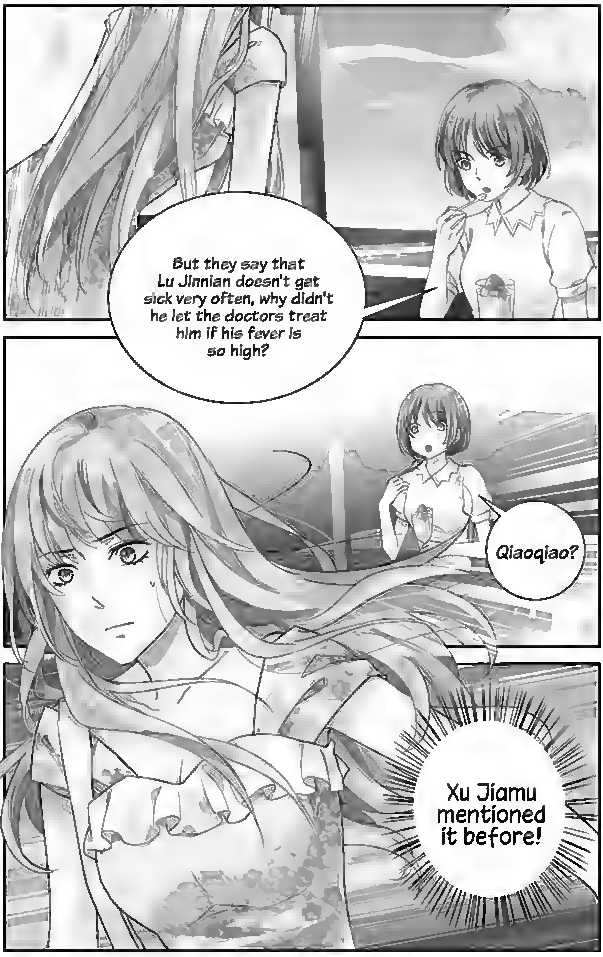


But they did say he was hospitalized with a 40 degree fever upon returning, maybe he's dead or something.

What...?

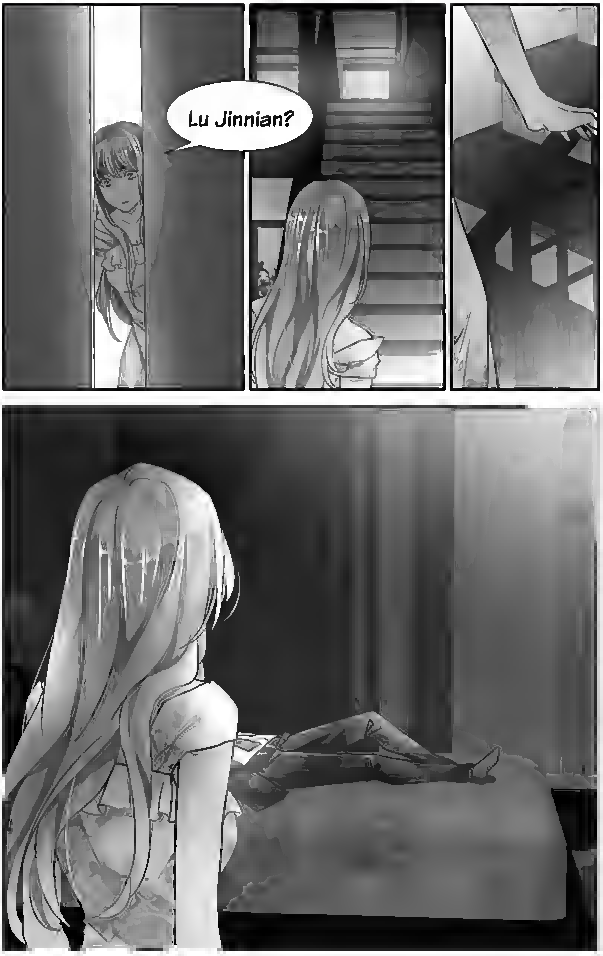


According to the reports, Lu Jinnian fainted in the middle of a meeting,
Then, when he arrived at the hospital, he wouldn't let anyone do a check up on him and insisted on being discharged. He left by himself after the ordeal



But they say that Lu Jinnian doesn't get sick very often, why didn't he let the doctors treat him if his fever is so high?
Qiaoqiao?
Xu Jiamu mentioned it before!

Lu Jinnian hates hospitals the most.
He never went, even if he was really sick.
He must've gone to the villa to rest, where no one can find him!

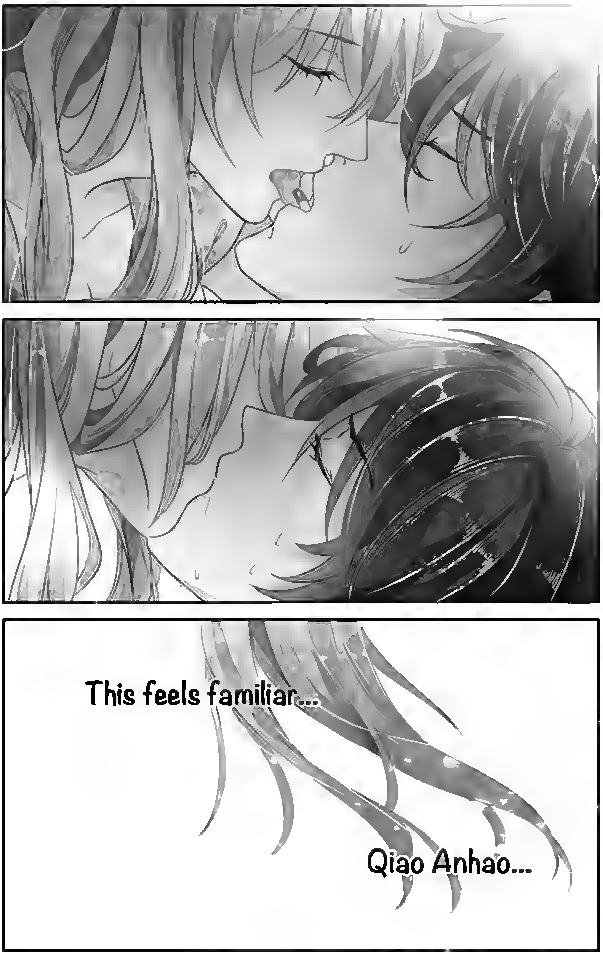


Lu Jinnian?

LU JINNIAN!
HE'S BURN -ING!

Pours

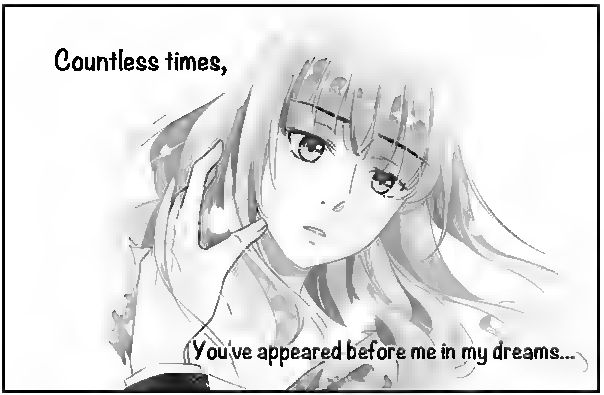
He won't swallow it...
What should I do..?
The villa is in the middle of no where, plus it's past mid-night
The nearest hospital is at least an hour's drive away..
His life will be in danger if this fever continues..



This feels familiar...
Qiao Anhao...

Before I knew it,
I grew accustomed to be alone.
Illness, injuries...
No one paid attention to me,
I didn't want them to see me at my weakest either.
On that night five years ago,

It was the same.
I locked myself in my room.
The fever made me unaware of my surroundings.
After a whole week like that, I finally regained my senses.
On my phone notifications, was a call from the press,
And a text from Qiao Anhao.
I saw you on air
Congratulations on winning the Best Supporting Male Actor!
Qiao Anhao
But in my heart, was a pit of darkness



Countless times,
You've appeared before me in my dreams...

I know I'm fooling myself by thinking like this.
If this is another dream,
Please never wake me up.
Still, I cannot bring myself to stop.
